### Mission

Filling The Void is a 501c3 nonprofit ministry that feeds and prays with the hungry, the homeless, the hurting and those who need healing. Since 2003, we’ve served more than 350,000 high-quality sack lunches. We have branches in 6 cities stretching from Colorado to Florida.

### Vision

Our goal is to lead the lonely, the unloved and the overlooked into lasting life-change. We seek out personal encounters with people who’ve lost nearly everything – their finances, their health, the places they called home. 1/3 of our clients are homeless. 1/3 live in shelters. 1/3 are simply poor or needy.

### Values

We’re motivated by Matthew 9:36. It says, “When Jesus saw the crowds, He was moved with compassion.” Proverbs 31:9 also calls us to “speak up for the poor and helpless.” We’re faith-based, but there are no religious requirements for receiving our services. We also have a non-discrimination policy.

### Board Opportunities

We’re recruiting Godly overseers to serve on local boards in each of our cities. Directors serve three-year terms, attend annual meetings, encourage the officers (president, VP, outreach leaders) and promote the organization. This is not a time-intensive role, typically requiring 5-6 hours per year.

### What We Need

Our ideal board member supports the organization through prayer, networking & any other means possible. We need people who can provide oversight and serve as public ambassadors and internal mentors for the ministry – lending their ideas, insights & expertise where needed.

### Let’s Get Started

New board members can be seated anytime. Please contact Kelly Swan at 918.629.1037 or [kelly@fillingthevoid.com](mailto:kelly@fillingthevoid.com) to express your interest. Our boards are not big (about 5-7 people). All members serve on a volunteer basis. D&O insurance is provided through our founding organization.
